

CONFORMING LOAN PAYMENTS

In order for your payments to be considered conforming, payments must be made in US currency. All loan payments must be accompanied with account number or payment coupon provided. Mailed payments may be sent to any branch for processing. Only checks or money orders should be sent by mail. Payments can be through Internet Banking via account transfer or bill pay. Loan payments may also be made in person to personnel at any of our branch locations up to close of business day. Payments will be credited that day. All other payments received will be credited as of the next business day or as otherwise permitted by law. ATM payments and payments received by wire are considered nonconforming. Nonconforming payments may take longer to process. Please see banking center hours for a complete list of when each branch will be open to take your payments.
